

## SAME-DAY PREVENTIVE MAINTENANCE

Xpress PM is available nationwide at Rush Truck Centres. Our dedicated preventive maintenance teams will conduct up to an 104-point inspection of critical vehicle components, including brake inspections, oil changes and more. Our state-of-the-art service bays are staffed by certified technicians qualified to work on all makes and models of heavy- and medium-duty trucks.

We offer three comprehensive inspection packages to fit your needs. Whether you need a quick lube or full preventive maintenance, our goal is to provide you with same-day service to keep you up and running. For your convenience we offer scheduled appointments, extended hours and weekend service, or we can dispatch a mobile service unit when and where you need us.

- Comprehensive inspection packages
- Consistent, competitive pricing
- Scheduled appointments
- Dedicated, factory-trained technicians
- Same-day service
- Extended hours and weekend service
- All-makes parts from industry-leading brands
